PAIGE WARNER

BIO

With an evocative voice that captivates her audience, Paige Warner creates music that sits between R&B and singer-songwriter with soul-inspired vocal licks layered on catchy hooks and rhythms. With over 55,000 combined listens on Spotify alone, Paige's recent singles have drawn love from media and listeners alike. She is skilled with more than just her voice, regularly accompanying herself with piano, guitar, or inviting her backup band to the stage.

PRESS

"I've never heard a voice as evocative as Warner's." - *Waterloo Chronicle*

"She's obviously a born entertainer. She has crazy stage presence. She held the whole room in the palm of her hand. She just had to sing those first few notes and she captivated everyone. She's just super talented." - *Observerxtra*

"Paige Warner has found her sound. And is it ever a good one." - *KW Tonite*
