Summary

As a music producer and sound designer, I sculpt experiences through sound. With an Associate of Arts degree in Music Education from Miami Dade College, I blend expertise with passion, crafting melodies that resonate across platforms—from albums to podcasts and beyond.

Beyond the studio, I serve as a mentor, sharing insights with aspiring musicians and nurturing talent. Over three years in the industry, I've fostered diverse collaborations, earning recognition and awards along the way. Recently, I achieved a significant milestone, receiving my first industry placement with Atlantic Records signed artist HoneyBxby.

Additionally, I'm proud to share that my work has garnered over 85k streams on my BeatStars store! Lets's connect!

Experience

Music Producer - Sound Designer

Freelance

Jan 2017 - Present (7 years 4 months)

As a music producer, I have been responsible for creating original music compositions, collaborating with artists to bring their visions to life, and managing the production process from start to finish. I specialize in genres such as hip-hop, electronic, and pop, and have a proven track record of delivering high-quality productions that resonate with audiences.

Main/Secondary Keyboardist

Trinity Church

2013 - 2016 (3 years)

- Generated song set suggestions, organized team schedules, and coordinated devotionals.
- Produced and formatted musical charts, engineered click and multi-tracks, and configured Ableton Live.
- Uploaded charts and audio files to Planning Center for seamless team collaboration.
- Contributed to refining and advancing the church's musical tone and style through expertise in in-ear monitors, stems, signal flow, Apple computers, Logic Pro X, MainStage 3, and patch creation.
- Demonstrated punctuality and thoroughness by consistently attending rehearsals and fully preparing for sound checks.

Ensemble: Jazz Band (2014-2015)

Miami Dade College

2014 - 2015 (1 year)

From 2014 to 2015, I was a member of the Miami-Dade North Campus Ensemble: Jazz Band. In this role, I played an active part in rehearsals and performances of jazz standards and original

compositions. My experience in the jazz band helped me develop my improvisational skills and deepen my appreciation for the genre.

Chamber Singers (2012-2014)

Miami Dade College

2012 - 2014 (2 years)

As a member of the Miami-Dade North Campus Ensemble: Chamber Singers from 2012 to 2014, I participated in regular rehearsals and performances of choral music repertoire. I had the privilege of performing at various events and venues, showcasing my vocal talents and passion for music.
