ALIZÉ PROUST

SUMMARY

Fun and reliable professional with tour, artist liaison and promoter rep experience, in the midst of a career change from sciences to concert touring.
Adept at managing every aspect of putting on shows.
Tend to think way too much about details before shows so artists can focus on what they do the best: create and perform.

SKILLS

- Organization
- Problem solver
- Fast-learner
- Multitasker
- Time management
- Flexibility & adaptability

- Certified first-aider (St John Ambulance)
- French and British passports' holder
- Driving license (French)
- Languages: French and English

CURRENT WORK

Research Scientist (PhD)

2010 - Present

Being a PhD makes me a highly organised and adaptable professional. It taught me how to work on a tight schedule and to easily handle pressure and failures
